RE: Docket # 04-00369
Request for Extension

Dear Chairman Miller:

This letter regards the above Docket in the matter of the RTC Communications, Inc Application for Certificate to Provide Facilities-Based and Resold Competing Local Telecommunications Services (Application).

In correspondence of December 6, 2004, the Tennessee Regulatory Authority (TRA) Utilities Division requested supplemental Application information no later than December 14, 2004. In partial response, a revised letter of credit has been supplied to TRA staff who have indicated further modifications will be required. We are in ongoing discussions with TRA staff in the Utilities Division and Legal Division in an effort to provide all the necessary information requested in the December 6, 2004 request.

Therefore, we respectfully request an extension of 90 days from the December 14, 2004 deadline to provide the supplemental information to March 14, 2004. Enclosed are the original and thirteen (13) copies of this request for extension.

If you should have any questions regarding this request, please contact the undersigned.

Sincerely,

John Becci
Manager - Regulatory Affairs
